

COSM SANCTUARY

*Powerfully attune with
the creative forces of your Soul
in the tranquil beauty of Nature*

*IN THE WOODS,
we return to reason and faith...
all mean egotism vanishes.
I become a transparent eye-ball;
I see all; the currents
of the Universal Being
circulate through me
I am part or particle of God...
I am the lover of
uncontained and immortal beauty.*

– Ralph Waldo Emerson

*Alex Grey's SACRED MIRRORS,
like all great transcendental art, are
not merely symbolic or imaginary;
they are a direct invitation
to recognize and realize
a deeper dimension of
our very own being.*

– Ken Wilber

*The CHAPEL OF SACRED MIRRORS
will bring you face to face with
your soul and move you to a
new level of enlightenment.*

– Deepak Chopra

ART SANCTUARY

Center to Rebirth the Creative Spirit

CoSM SANCTUARY

The Mission of CoSM is to provide an enduring sanctuary of visionary art to inspire every pilgrim's creative path and affirm the values of love and integral wisdom.

The CHAPEL OF SACRED MIRRORS, CoSM, recently acquired a 40 acre interfaith retreat center as a permanent home. Here artists will join together to build an oasis for spiritual, cultural and social renewal. People of all ages, colors and faiths from around the globe will enter into contemplative union with the artwork and with nature.

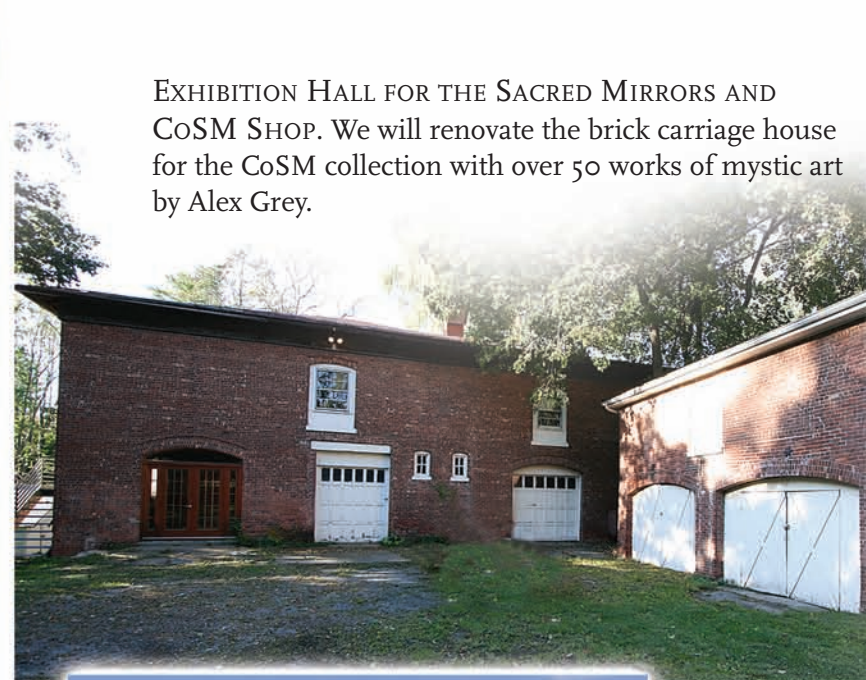

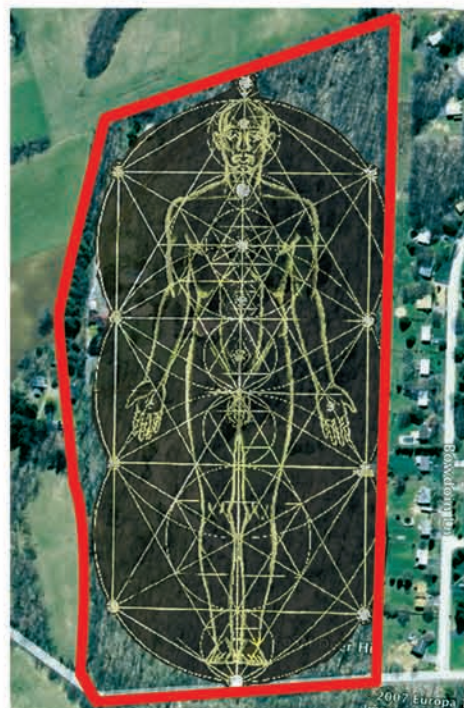

Through these works of art in this splendid setting we will see how every individual is a Sacred Mirror reflecting not only a body but also a soul, not only what we are now but what we can become when our greatest potential of wisdom and compassion is activated.

Weekend and week-long workshops will emphasize art as a spiritual practice.

Embedded in the land will be a sacred geometric crystal gridwork tying together a new vision of Humanity and Nature.

Sixty-five miles north of New York City and just a 20-minute walk from the MetroNorth train stop at New Hamburg, in the town of Wappinger, CoSM will reopen a magnificent new Chapel exhibition environment for the artwork that has become a context for a growing community.

EXHIBITION HALL FOR THE SACRED MIRRORS AND CoSM SHOP. We will renovate the brick carriage house for the CoSM collection with over 50 works of mystic art by Alex Grey.

At CoSM, receptive visitors can view higher states of consciousness symbolized in the SACRED MIRRORS collection, icons honoring all the worlds traditions, validating and reinforcing the emerging vision of World Spirit.

On this holy ground an astounding work of visionary architecture will be built, the permanent CHAPEL OF SACRED MIRRORS.

WISDOM TRAILS

Sacred statuary, inspiring quotes, crystal altars and contemplation niches will be placed throughout the woods. Grass-covered meadows will become sculpture gardens blooming with vegetables, herbs, flowers and fruit trees.

CoSM's GUEST HOUSE will host overnight visitors and workshop participants.

Sun-filled galleries, a music room and a library will offer space for study, meditation and solitude.
